GOOD TERMS TO FIRST-CLASS AGENTS.

After some necessary repairs the Y. M. C. A. will begin the regular gymnasium work Tuesday, October 22. The Business Men's Class will meet at 4 o'clock Tuesdays and Fridays for one hour, and the Young Men's Class at 7:30 on Tuesdays and Fridays for one hour. The Junior will have their physical work at 4 p.m. Wednesdays and at 10 a.m. Saturdays.

General Secretary Pilkington has a very thorough physical course at the gymnasium work are very enthusiastic and are working hard to get others interested in the work.

There can be no better recreation for a business man than to spend one hour in the gymnasium twice a week. Many business men today are being compelled to give up their business because of class confinement. The work of the Y. M. C. A. should appeal to every man.

With the complete equipment that the Association has in all departments men cannot find a better place to spend a social hour, read, play games, etc. The social life of the Association appeals to every young man.

Evening Educational Classes will begin Monday evening, October 21st, at 7:15.

Following is the schedule of classes: Monday and Wednesday evenings, 7:15 to 8 o'clock, Penmanship; Monday and Wednesday evenings, 8 to 8:15, Book-keeping; Monday and Wednesday evenings, 8:15 to 9:30, Commercial Arithmetic.

Classes in Short Hand and Typewriting are organized but the time of meeting will be announced later.

The Association realizes the needs of young men and has provided means whereby young men can prepare themselves for a more active business life. The enrollment in the evening classes is quite large, and still many are contemplating taking the work.

Miss Helen Newton, a Missionary lately arrived from India, a cousin of Miss Mary Forman, and well known in this county, made an address before the Women's Christian Meeting at Cincinnati Tuesday.

WOMEN AND JEWELS.

Jewels, dainty, flowers, man—that is the order of a woman's preference. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined by the strenuous efforts to make one's self more beautiful to purchase them. If a woman will risk her health to get a coveted gown, then let her fairly herself against the insidious consequences of cough-cure and bronchial affections by the regular use of Dr. Bowditch's certain remedy. It will promptly arrest consumption in its early stages and heal the inflamed lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get it at Dr. Green's reliable pharmacies at J. Lee Wood & Sons, 100, 102, 104, 106, 108, 110, 112, 114, 116, 118, 120, 122, 124, 126, 128, 130, 132, 134, 136, 138, 140, 142, 144, 146, 148, 150, 152, 154, 156, 158, 160, 162, 164, 166, 168, 170, 172, 174, 176, 178, 180, 182, 184, 186, 188, 190, 192, 194, 196, 198, 200, 202, 204, 206, 208, 210, 212, 214, 216, 218, 220, 222, 224, 226, 228, 230, 232, 234, 236, 238, 240, 242, 244, 246, 248, 250, 252, 254, 256, 258, 260, 262, 264, 266, 268, 270, 272, 274, 276, 278, 280, 282, 284, 286, 288, 290, 292, 294, 296, 298, 300, 302, 304, 306, 308, 310, 312, 314, 316, 318, 320, 322, 324, 326, 328, 330, 332, 334, 336, 338, 340, 342, 344, 346, 348, 350, 352, 354, 356, 358, 360, 362, 364, 366, 368, 370, 372, 374, 376, 378, 380, 382, 384, 386, 388, 390, 392, 394, 396, 398, 400, 402, 404, 406, 408, 410, 412, 414, 416, 418, 420, 422, 424, 426, 428, 430, 432, 434, 436, 438, 440, 442, 444, 446, 448, 450, 452, 454, 456, 458, 460, 462, 464, 466, 468, 470, 472, 474, 476, 478, 480, 482, 484, 486, 488, 490, 492, 494, 496, 498, 500, 502, 504, 506, 508, 510, 512, 514, 516, 518, 520, 522, 524, 526, 528, 530, 532, 534, 536, 538, 540, 542, 544, 546, 548, 550, 552, 554, 556, 558, 560, 562, 564, 566, 568, 570, 572, 574, 576, 578, 580, 582, 584, 586, 588, 590, 592, 594, 596, 598, 600, 602, 604, 606, 608, 610, 612, 614, 616, 618, 620, 622, 624, 626, 628, 630, 632, 634, 636, 638, 640, 642, 644, 646, 648, 650, 652, 654, 656, 658, 660, 662, 664, 666, 668, 670, 672, 674, 676, 678, 680, 682, 684, 686, 688, 690, 692, 694, 696, 698, 700, 702, 704, 706, 708, 710, 712, 714, 716, 718, 720, 722, 724, 726, 728, 730, 732, 734, 736, 738, 740, 742, 744, 746, 748, 750, 752, 754, 756, 758, 760, 762, 764, 766, 768, 770, 772, 774, 776, 778, 780, 782, 784, 786, 788, 790, 792, 794, 796, 798, 800, 802, 804, 806, 808, 810, 812, 814, 816, 818, 820, 822, 824, 826, 828, 830, 832, 834, 836, 838, 840, 842, 844, 846, 848, 850, 852, 854, 856, 858, 860, 862, 864, 866, 868, 870, 872, 874, 876, 878, 880, 882, 884, 886, 888, 890, 892, 894, 896, 898, 900, 902, 904, 906, 908, 910, 912, 914, 916, 918, 920, 922, 924, 926, 928, 930, 932, 934, 936, 938, 940, 942, 944, 946, 948, 950, 952, 954, 956, 958, 960, 962, 964, 966, 968, 970, 972, 974, 976, 978, 980, 982, 984, 986, 988, 990, 992, 994, 996, 998, 1000.

JOHANN MOST, the Anarchist, was sentenced to one year in the Penitentiary by the Court of Special Sessions in New York for publishing in his paper, *Die Freiheit*, an alleged edition article on the day following the shooting of the late President McKinley. Wonder if the bewickled fellow will be allowed to edit his paper and a brewery from the prison?

It is presumed that Governor DUBIN of Indiana is keeping tab on the manner of selecting a jury for the trial of the Hon. CALER POWERS, it will furnish him some valuable pointers when he goes to make up his statement as to the surrender of Governor TAYLOR and CHARLIE FINLEY into the hands of CANTRELL and his brigands.

In the Presidential election in 1900 the vote of Scott and Bourbon counties was—

Scott	McKinley	Bryan
2,217	2,197	2,411
2,217	2,197	2,411

Bourbon.....4,321 4,988 1,921

Democratic majority.....964

And yet, when a Democratic Sheriff went into those two counties by order of a Democratic Judge to summon nearly four hundred veniremen from which to select a Jury for the trial of CALER POWERS, there were only five Republicans in the lot. To an outsider, this may appear a bit strange, considering the somewhat close political division of the two parties; but it should be borne in mind that POWERS is an ex-Republican state official, and that his conviction is necessary to Democratic success in Kentucky—wherefore, it is necessary that he be tried by a Jury which is unanimously Democratic!

CLARENCE MATTHEWS, P. M.

Itching Scalp.

Scalp Itch and the most violent form of Itching Scalp and Salt Rheum Promptly and Thoroughly Cured by Dr. A. W. Chase's Ointment.

Among small children, scalp itch and similar itching skin diseases are most prevalent, and the worst feature is that these ailments, which are apparently trivial at first, almost invariably develop into chronic cases if neglected.

There is but one treatment that physicians are unanimous in recommending for scalp itch and eczema, and that is Dr. Chase's Ointment, the great antiseptic healer.

It promptly stops the distressing itching which accompanies these diseases and positively produces a thorough and complete cure.

Mr. J. H. Grant, 716 Joseph Chapman avenue, Detroit, Mich., writes:

"For three years I have been troubled by an intense itching on my body. So terrible was it at times that I could get no rest night or day. I tried all kinds of ointments and blood purifiers, but could get no relief. Mr. H. A. Nisold of 175 Division street recommended Dr. Chase's Ointment. A few applications stopped the itching and I have felt nothing since."

Baby Eczema.

Mr. F. S. Rose, of 193 Sixteenth street, Buffalo, N. Y., writes:

"Our baby boy suffered for some time with that wretched eczema, and we were unable to find anything to cure or relieve his pain. A few applications of Dr. A. W. Chase's Ointment stopped the itching and healed the sores, and a bright, natural skin now takes their place."

A REPUTATION.

How It Was Made and Maintained in Maysville.

A good reputation is not easily earned, and it was only by hard, consistent work among our citizens that Doan's Kidney Pills won their way to the proud distinction attained in this locality. The public indorsement of scores of Maysville residents has rendered invaluable service to the community. Read what this citizen says:

Mr. C. H. Cooper of 201 West Second street says:

"For many years I suffered from attacks of kidney trouble, and had reason to think I was fast drifting into Bright's disease. I had the great good fortune to learn about Doan's Kidney Pills, and procured them at J. Lee Wood & Sons' drugstore. The remarkable benefit I obtained from the treatment is a guarantee of the marvelous value and effectiveness of Doan's Kidney Pills."

IN A DRUNKEN BRAWL.

One Man Killed and Two Fatally Injured in a Battle at Carr's Fork, Knott County.

Muyking, Ky., Oct. 17.—Minute details of a bloody battle at Carr's Fork, Knott county, near the Letcher line, have just reached here. Early Tuesday Andy Perry and William Slone and Alex. Martin met at a "blind tiger" and indulged in considerable whisky. A game of cards was followed by a general melee, in which 50 or more shots were fired. When the sun came out, Andy Slone, a local boy, Alex. Martin received a mortal wound, while William Slone received perhaps a fatal wound. Perry Slone was arrested by the sheriff and lodged in jail.

ROOF COAL FELL.

Four Men Killed in the Klondike Mine of the Delaware & Hudson Co. at Archbald, Pa.

Scranton, Pa., Oct. 17.—A fall of roof coal caused the death of four men in the Klondike mine of the Delaware & Hudson Co. at Archbald Wednesday afternoon. The four were John Henley, miner; John Kearney, miner, and Matthew Dragher, driver.

A car had run down a plane in the mine, jumped the track and knocked out a number of props. The men in charge of Foreman Nelson were replacing the props when a great slab of rock fell, killing them instantly.

Favors a Strong Navy.

Washington, Oct. 17.—Representative Clayton of West Virginia, and Meyer of Louisiana, who are members of the naval affairs committee of the house, had a talk with the president Wednesday about the navy and congress with respect to the navy. The president was vigorous in his expressions of a desire to see a strong navy built up.

NEW CONVENTION.

Russia Secretly Negotiating With China For the Legal Occupation of Manchuria.

SAME LINE AS APRIL 5 AGREEMENT.

The Matter is in Earl Li's Hands, Who Can Be Trusted to Serve Russian Interests.

Prince Chong is Indignant Because He Has Been Kept in Ignorance—Two Viceroy Have Protested Against the Deal.

London, Oct. 17.—The new Manchurian convention, which has been the subject of negotiations between M. Paul Lesar, Russian minister to China, and Li Hung Chang, is on the same lines as the convention which Russia withdrew April 5, says the Peking correspondent of the Times, but it is more cleverly worked, so as to save China's face.

In consequence of previous disclosures a jealous secrecy has been observed, but the important negotiations by which Russia seeks to legalize her occupation of Manchuria have been entrusted to Li Hung Chang, who can be better trusted to serve Russian interests than any other Chinese statesman.

Prince Chong is indignant because he has been kept in ignorance, and both the Yangtze viceroys have twice protested against the negotiations. The same power of the opposition that was employed before is again being used to prevent the ratification of the convention, but Russia's promise to restore the railway from Shan-Hai-Kwan to Nien-Chung is a powerful lever in the hands of M. Lesar.

COMMITTED MANY MURDERS.

The Notorious Brigand Mussoolin Captured After a Prolonged Resistance at Urbino.

Rome, Oct. 17.—The notorious brigand, Mussoolin, has been captured, after a fierce resistance, at Urbino. He had long terrorized Calabria, and in the last few months committed 25 murders. Owing to the sympathy shown him by the peasantry, he always escaped capture, and he had been offered by the government offered for his arrest.

His career as an outlaw began two years ago when he was liberated from prison on condition of his permanent commitment. He vowed to kill all 15 witnesses who were responsible for his conviction, and he is said to have actually dispatched 12.

FOUGHT IN THE DARK.

A Battle Between Officers and a Score of Colored Gunners Near St. Augustine.

St. Augustine, Fla., Oct. 17.—At a house near Bond's turpentine camp, in this county, Sheriff Perry and a number of deputized officers closed in on a score of Negro gunners, who committed 25 murders. Knowing the desperate character of the men, the posse were well armed. When the officers stepped in with drawn guns the light was instantly extinguished and the Negroes opened a fusillade with their pistols. The firing continued for several minutes. Deputy Hayden was wounded in the arm, one Negro was found on the floor dead and another was wounded. The ten were arrested and seven escaped.

The Portsmouth Blade yesterday said: The second wedding in the probate office today was flavored with typical Kentucky romance. Two young and good-looking, high-bred young people, were surrounded by a party of their friends while Nigire Sampson of Madison township pronounced the words of the marriage service. The bride was Miss Harriet Stephens of Maysville, the groom, Charles Brown of Quince, Ky. The party immediately returned to their homes in Kentucky.

CHANGE OF FIRM.

M. C. Russell Co. Succeeds the House of M. C. Russell & Son.

COLONEL M. C. RUSSELL.

After an active business career of nearly forty years, Colonel M. C. Russell will on Monday next retire from the head of the wholesale grocery firm of M. C. Russell & Son, and Mr. J. Barbour Russell will succeed to the business under the title of M. C. Russell Co. In retiring, the senior of the establishment carries with him the best wishes of every one, and they hope he may live long to enjoy the fruits of his competency that has been acquired by that untiring industry and scrupulous integrity which has characterized his whole business life.

Although he will not be active in the new organization, he will make the house his headquarters, and will be always glad to welcome his old friends and patrons.

Mr. J. Barbour Russell, who will be the head of M. C. Russell Company, is too well known to need extended introduction. He is a young man of sterling worth—enterprising, industrious and upright in all things; and this Lebanon speaks for him a continuance of the generous favors that were bestowed upon his predecessors.

RIVER NEWS.

The Ohio continues to fall.

The Liarte Bay will be up tonight for Charleston.

The Sunshine will be down for Cincinnati tonight—if it doesn't fog.

The Hudson is now receiving a new shaft and wheel. She is now at Cincinnati.

A slight rise out of the Kanawha will enable the skiffs and johnboats to keep going a little longer.

Improving locks and dams in green and Kentucky rivers has seriously interfered with navigation on those streams.

The new towboat G. W. Thomas was launched at Howard's Monday, and having some distance to slide, she shot into the river, going at the rate of 50 miles an hour. The Jim Duffy chased after her some distance before she got her and got her back to the bank.

Rivermen whose headquarters are in and near Pittsburgh approve of the appointing of another engineer for the Upper Ohio river, but believe he should be stationed at Pittsburgh instead of at Wheeling. They claim that most of the improvements which Captain William E. Craigbill, who has just been appointed to the position mentioned, will have charge of, are in course of construction in the vicinity of Pittsburgh. Captain Craigbill is take charge of work between Davis Island Dam and Parkersburg, and nearly all of the work above Steubenville. It is not likely that any request will be made in the matter.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in its latest stage and that is cancer. Hail's Cancer Cure is the only positive cure now known to the medical fraternity. Cancer being a constitutional disease, requires a constitutional treatment. Hail's Cancer Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and filling the patient's system by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars to any case that it fails to cure. Send for list of testimonials. Address: F. J. An Open Letter.

We desire to say that our business since January 1st has passed the mark anticipated. We wish to be frank; therefore we are not attempting to talk to business people and put it in the form of a polished essay. The advantage of having merchandise different from your competitors is apparent, provided that the retailer is known to be reliable. Does not a good deal of advertising appear to you as though the advertisers were indulging too freely in fine words? Most of them seem to say something that means nothing. Names are invented for goods that have no bearing whatever to the materials, turned and twisted until they are no longer relevant, all of which is done to tone the product, because the product hasn't enough of it. Fine feathers make fine birds, but fine words do not make fine goods. We are strong believers in advertising because it is a good thing, but advertising doesn't pay unless constructed on a proper basis, and that is to plainly tell people what you have to sell, and sell it as low as is consistent with legitimate business methods.

Our spring importation of Dress Goods, White Goods, Carpets, Mattings and Housekeeping Goods generally is complete. Come and learn prices, which will be found to be as cheap as the cheapest, quality considered. Respectfully,

GEORGE COX & SON.
